### Jana Marie Kelly

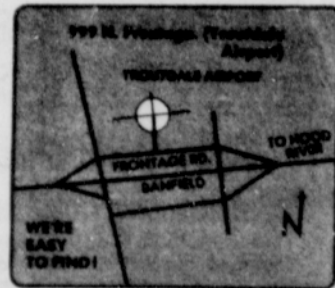

Jana is the 17½ year-old daughter of William and Audrey Hooker. She is a 1982 graduate of Sam Barlow High School and has also attended Mt. Hood Community College part-time. She plans to continue her schooling at Mt. Hood Community College this fall. During high school, Jana has been active as an honorary member of Rainbow Club, Young Life Club, J.V. wrestling rally and the Bruninett's Varsity Dance Team. She enjoys horseback riding, water skiing, sailing, swimming and diving as well as writing poetry and drawing. Jana plans to study graphic art, drafting and interior design at M.H.C.C. and then plans to go on to a finishing school to study interior design and fashion coordinating. She has chosen a career as an interior decorator as she feels it would be an enjoyable and successful field to be in. For her talent presentation, she plans to do a modern jazz dance. Jana is sponsored by the Red Baron Steak House.
