**WE HIRE VETERANS PART-TIME.**

Why would an ex-Marine, Sailor or Airman want to join the Army Reserve? Because you'll find us many places where your former service doesn't have reserve units. And because we're larger, we usually have more openings. So if you've already made up your mind about going back to civilian life, the Army Reserve can help you cash in on your service experience. Did you know that former E-4s with 3 years' experience can now make over \$1,660 a year serving part-time in the Army Reserve? All it takes is a weekend a month and a couple of weeks of annual training. For more information about the Army Reserve, call the number listed below. Or stop by.
