NOTICE OF ELECTION FOR SPECIAL ELECTIONS, AUGUST 10, 1982

NOTICE IS HEREBY GIVEN that on Tuesday, August 10, 1982, special elections will be held in and for the districts given below. The polls will be open from 8:00 A.M. until 8:00 P.M. The following are facsimile ballots for said elections containing the measures to be submitted at said election:

1 OFFICIAL BALLOT FOR SPECIAL DISTRICT ELECTIONS HELD IN CLACKAMAS COUNTY, STATE OF OREGON, AUGUST 10, 1982. 1-A004

SANDY UNION HIGH SCHOOL

MEASURE 3-2
Submitted to the Legal Voters of Said District
SPECIAL OPERATING LEVY OUTSIDE THE TAX BASE
QUESTION: Shall Sandy Union High School levy \$2,705,474 outside the tax base for operating expenses during the school year 1982-83?
PURPOSE: The District does not have a tax base which provides for the educational programs required by State Statute and adopted by the School Board. Therefore, voter approval of an operating levy is presented to the District voters each year. The total dollars will fund a reduction in programs and services, including teachers, materials, supplies, and maintenance. No new programs or services have been added.
If this measure is approved \$2,382,946 of the taxes levied in the 1982-83 fiscal year will be financed partially by the State of Oregon, which includes the \$313,853 current tax base. \$636,381 will be totally financed by local taxpayers without any partial State payment.

2 OFFICIAL BALLOT FOR SPECIAL DISTRICT ELECTIONS HELD IN CLACKAMAS COUNTY, STATE OF OREGON, AUGUST 10, 1982. 1-B002

WELCHES SCHOOL

MEASURE 3-4
Submitted to the Legal Voters of Said District
WELCHES ELEMENTARY NO. 13 OPERATING LEVY
QUESTION: Shall Welches Elementary School District levy \$106,782 in excess of the statutory limitation for an operating levy for 1982-1983?
PURPOSE: These funds are to provide for the continuation of existing programs for the Welches School District. The district's tax base does not provide sufficient funds to support the district's programs.
If the measure is approved, \$72,012 of the taxes levied in the 1982-1983 fiscal year are eligible for partial state funding. However, \$34,770 of the taxes will be totally financed by local taxpayers without any partial state payment. The combined levies would cost approximately 57¢ per \$1,000 evaluation before applicable tax relief. We anticipate the total tax rate for next year to be approximately \$.30 less than the current year.
