"On the Road Again"
30 50 Chev. Sales or Bust!
Pete's back "on the road again" — on his Skates, that is, until we sell 30 new Chevy cars & trucks. As of Aug. 5, we have 80 more 1982 Chev cars & trucks, including Demonstrators, that we simply MUST SELL before Sept. 30, when the 1983 Models go on sale. So Pete will stay on Skates until we sell 30 more new Chevs. After that Pete will get a physical & maybe go for the last 50.
Through August, we will pass on to you the \$400 rebate that we get from Chevrolet on Chevettes, Celebrities & Camaros. This is in addition to our giveaway model year closeout prices that we have on these & all models!
We also recommend the 12.5% lease financing available through GMAC. We would really like to explain this sensational lease plan to you, whether it be a business lease or a personal lease.
We'll pay your 18-hole green fees at Rippling River Resort in Wemme or give you 5 FREE rides on the Slide at the Ski Bowl just for taking a Demo drive in a new Carlson Chevrolet — by reservation, please.
Whatever it takes — we'll probably do it — so, for Pete's Sake (yours, too) please come try us on for price.....
