

The Sandy Post Classified

WE GET RESULTS!

Maureen Goldman owner of the Arabian Nights Thieves Market at 146th and SE Stark knows the importance of advertising where it gets results. We ran our first ad with a coupon for free admission in August. That particular ad ran once. "We were pleased and astounded with the number of coupons we received back (106). The Outlook has produced results for us and that's why we'll continue to use it."
