In Your Choice of Bavarian Blue or Alpine White.

We invite you to come in and see the beauty and quality of this fine porcelain china. Two exquisite patterns . . . Bavarian Blue and Alpine White are now on display. Christina Bavarian China is fully vitrified and fadeproof. It can be washed with the strongest detergents in your automatic dishwasher . . . it is even safe for use in microwave ovens. Christina is truly a supreme porcelain china.

The quality of Christina Fine Bavarian China is evidence of the care that accompanies the creation of every piece. Enjoy it on those special occasions, or add a touch of elegance to everyday dining; Christina fine china is as durable as it is beautiful.

Don't wait, simply begin saving the special color-coded register tapes issued during our program. When you have collected \$299 in tapes, place them inside the envelope provided in your Christina Bavarian China brochure and redeem the tapes for your place setting of Christina Fine Bavarian China.

Or, at any time during the program, you may purchase a place setting for \$12.99 . . . a savings of almost 50% over department store prices.

A full compliment of matching service pieces is also available, in both patterns, to make your set complete. Special savings will be offered weekly on these pieces throughout the program; visit our store and watch our ads for dates and details.

It's another way Sentry says 'Thank You' for your continued patronage. Shield those grocery dollars, and save money on your favorite foods as you start saving cash register tapes toward your own Christina Fine Bavarian China.
