# Mix it up Continued from Page 2

The PAT kick was blocked.

With 1:28 left to play the Pioneers were unable to regain the lead.

Chuck Kearney was in part responsible for The Dalles having a fourth-and-27. He sacked the quarterback twice from the linebacker's position.

Sandy had other opportunities to put the game away. With 8:11 left in the game junior Joe Betschart

sacked the Indians' punter after a bad snap from center.

The Pioneers took over on The Dalles' 30, but fumbled two plays later.

A couple of minutes later Tinjum got an interception on The Dalles' 35, and ran it to the 30. This time Sandy ran four plays and turned the ball back over to the Indians. Hence began their winning drive.
