

Cake recipe:

Rich chocolate cake "loaded" with morsels

Here's a riddle for bakers: What's smaller than a Toll House morsel, made with the same rich semi-sweet real chocolate and is perfect for cakes and frostings or for decorating desserts?

Chocolate Frosting.
Here are the recipes for Toll House Cake and Rich Chocolate Frosting as developed in the Nestlé Test Kitchens.

TOLL HOUSE® CAKE

2-1/4 cups unsifted flour
1-1/2 measuring teaspoons baking soda
1 measuring teaspoon salt
1/2 cup butter, softened
1-1/2 cups brown sugar,

firmly packed
1 measuring tablespoon vanilla extract
2 eggs
1-1/4 cups milk
1/2 pkg. (1 cup) Nestlé mini-morsels

Preheat oven to 350° F. In small bowl, combine flour, baking soda and salt; set aside. In large bowl, combine butter, brown sugar and vanilla extract; beat 45-50 minutes—bundt or tube pan.

Cool 10 minutes; remove from pans. Cool completely on wire racks.

Makes: two 8" or 9" cake layers or one 10" tube or bundt cake.

Note: Do not test for doneness by piercing with cake tester for cake may lose volume.

until creamy. Add eggs, one at a time, beating well after each addition. Alternately blend in flour mixture with milk. Stir in Nestlé mini-

morsels. Pour into two greased and floured 8" or 9" round cake pans or one 10" tube or bundt pan.

Bake at: 350° F.

Time: 35 minutes—layers;
RICH CHOCOLATE FROSTING

1/3 cup butter
1 cup Nestlé mini-morsels
1/4 measuring teaspoon salt
1 measuring teaspoon vanilla extract
3 cups sifted confectioners'

sugar
5 measuring tablespoons milk

In small saucepan, melt butter. Stir in Nestlé mini-morsels until melted. Transfer to small bowl. Add salt and vanilla extract. Gradually beat in confectioners' sugar alternately with milk. Fills and frosts two 9" cake layers.

Makes: about 2-1/4 cups frosting.
