## Would you buy a used car from this "Bunch"?

SOME folks did on Friday before Halloween, and they will "fly away on Eastern" & not the proverbial broom. The travel opportunity is over, but the 10.9% A.P.R. GMAC Financing program continues on new 1982 Chev cars & trucks & demos. This, alone, can save you \$1,592.00 on a \$10,000 balance for 48 months, as compared to the normal 17.5% A.P.R. on all 1983 Models. We can offer a 15% A.P.R. bank rate, and — as always — we will do anything (almost) to make your new Chevy purchase more pleasurable. We're stocked for winter & skiing with new & used 4-wheel-drives of all sizes. For your total motoring needs, including service on all vehicles, try us.
