**This is the Lambing Season**

To help you with the lambing season, we have scheduled a training seminar. Hal Vrooman, local award winning Sheep Breeder will speak on "Care and Feeding Prior to Lambing," "Crutching" (Hal will bring a ewe to demonstrate the proper way to clip and clean up prior to birth). A model will be displayed, showing the actual birthing of a lamb, plus when and how to help the ewe if it becomes necessary.

Rick Pentecost, Ralston Purina will speak on Purina's Lamb and Sheep Feeding System.

These folks are the experts and this will be the time to ask those questions you have been wondering about.
