He's a nice guy—
 but would you
 trust him with
 a \$10,000 piece
 of equipment?

No! So take your
 auto to the best
 for expert body
 repair and painting.

Old Joe's price may look good. But you'll end up paying for these "deals" in the long run.

Body repair needs to be done with precision and accuracy. Which is exactly what we offer at Obrist & Cunningham. Our Audatex Computer Estimating Service and Blackhawk Bench System help to make us the most thoroughly equipped shop in the East County. What this means to you is guaranteed workmanship as long as you own your car.

For quality you can count on, take it to Obrist & Cunningham.
