Got a dream? Assure it.

On your term, not ours!

We all have dreams. Maybe it's to see the kids through college. Maybe it's a car, or a nice, long retirement vacation. Unfortunately, tomorrow's dreams have a way of getting postponed by today's realities.

Well, now there's Dream Assurance, with The Benj. Franklin's long term savings certificate that you design to meet your needs.

Write your own term!

It's so simple. Name whatever term you want. Any number of years, months — even days — between 2½ and 10 years. That's when your Benj. Franklin long term certificate will mature.

Name your account and choose whatever amount you want to invest, from \$100 to \$100,000. Depending on the length of term you choose, you'll earn from 9.95% to 11% interest. * Guaranteed!

For example, if your child will be entering college

September 24, of 1988, you know you're going to need tuition funds. So you decide to invest \$5000 today. Your money will earn 10.5% guaranteed for the next five years.

TRAVEL TIPS

WELCOME ABOARD

An Exploration cruise of the Columbia and Snake Rivers is one of the world's unique travel experiences and one you'll never forget. You'll travel nearly 500 miles inland from the hills and meadows near the Oregon Coast, through one of the nation's most extensive systems of dams and locks. You'll cruise through tree-lined channels and broad stretches of placid water; through the breath-taking Columbia River Gorge; past the golden wheatfields and plateaus of the great Central Columbia Basin. Climate and terrain change along with the scenery, as the EXPLORER leaves the coastal plains and foothills behind. Each bend of the river reveals enchanting new vistas; and the picturesque riverside settlements of Washington, Oregon, and Idaho provide perfect settings for pleasant shoreside visits.

By the time you disembark for your white-water adventure in Hell's Canyon of the Snake River, you'll have seen many and varied aspects of this great inland waterway - bustling cities, rolling farmlands, and country that's still very close to the wilderness faced by Lewis and Clark. You'll have had the chances to see and photograph the trees, wildflowers and animals of the Pacific Northwest - not to mention some of North America's most incomparable scenery.
