Sandy Baptist celebrates anniversary

Sandy Baptist Church will celebrate its 37th anniversary this Sunday, June 26, with honored guest Dr. Edward Rodda.

He served as Sandy Baptist's first pastor from 1946 to 1949. Rodda will speak during the 11 a.m. service on "How to Build a Successful Church."

A potluck will follow at 1:15 p.m. Families are asked to bring chicken for their family, a pie or strawberries and shortcake, tablecloth and table service.

Rodda will speak again at the evening service and special music will be provided by the Voice of Triumph, a group from the First Baptist Church of Milwaukee. The group is under the direction of Dr. Gordon Borror, assistant professor of church music at Western Baptist Seminary.

Agency guides St. Jude's tour

Sandy Travel is pretty much covering all the bases when it comes to group travel.

Last Tuesday a group of about 36 residents from St. Jude's Home in Sandy went to Roslyn Lake, where they ate a picnic lunch, in-

cluding strawberries and ice cream provided by Sandy Travel. They were entertained by accordionist Jeanette Kock and even got in a little fishing.

Muriel Morgan, travel agent for Sandy Travel, said considering the hours

put in there is "not much profit" to be made from the project.

"It's something we're trying to get going with all the rest homes," she said. "It's our way of covering all the bases on group travel and at the same time offering something to the

people of this area."

St. Jude's paid a fee, primarily to cover the cost of the buses, said Morgan.

Another trip has been planned for a July 2 trip to Memorial Coliseum for a performance of "Sesame Street Live."

Muster team tops record

Sandy Fire District volunteers sped to a new state record last weekend and captured two first-place finishes in the annual Milwaukie Days muster.

The team of volunteers captured Class 3 in the motorized pumper competition, setting the new record on the way. Their time, 25.65 seconds, erased the old mark held by the

Canby Fire Department.

The muster team also captured first place in the motorized hose wagon contest.

The local women's muster team also garnered two second-place finishes,

finishing as runners-up in the motorized pumper and motorized hose wagon events.

Both local teams use the district's 1940 Chevrolet Howard-Cooper engine in the competition.

"GNMA's* give us a hedge against inflation with high current yield." anticipated yield*

"I receive monthly payments from Ginnie Mae of principal and interest, and while the stated maturity is 30 years, yields are quoted on a prepaid half-life of 12 years."

It's a good way to invest in the housing industry and avoid the administrative and legal hassles. Edward D. Jones & Co. has current information on these high-yield, mortgage-backed securities issued by the Government National Mortgage Association.

* Estimated anticipated yield which is formulated based on our analysis of this particular pool's past performance and which, in our opinion, while not guaranteed, offers such attractive potential. The yield based on a 12-year average life using GNMA standard bond yield tables is 11.70%. These securities are subject to market fluctuations.
