215 Tech.Prof. Help Wanted

Executive Director

Multnomah-Washington Private Industry Council, Inc. will work to introduce programs for job training and skills retraining for Oregon workers. We have an opening for a skilled Executive Director who will execute policy determined by the Board of the Private Industry Council.

The work will involve engaging and supervising a professional staff which will: design and execute programs, evaluate new program proposals, account for all funds, monitor results, report to regulatory agencies, monitor legislative actions, and work with private industry and public agencies to meet the goals set by the Board. This is an opportunity to play a key role in building the quality of Oregon's work force.

The successful candidate will be an outstanding communicator and proven leader capable of motivating and working with a wide variety of public and private organization professionals. Strong administrative, personnel, financial and problem solving skills are required. Professional qualifications will include at least a bachelor's degree or equivalent work experience in a related field. Private industry experience is preferred.

Salary will be commensurate with qualifications and experience.

Send complete resume and salary requirements to **Search Committee, P.O. Box 688, Dept. GO-0720, Beaverton, OR 97075 by July 31, 1983.**
