Friday: Chili, crackers, buttered cornbread, carrot coins, peaches and milk.

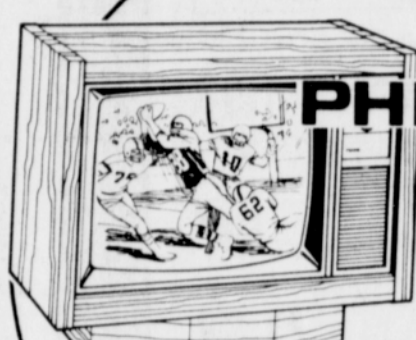

Commodity distributions set

On Saturday, Dec. 15 there will be another distribution of U.S.D.A. commodity food for eligible Clackamas County residents.
Foods to be given out will be processed American cheese in five-pound blocks and butter in one-pound blocks.
Distribution is limited to people in specific districts, such as Sandy and Wemme. Distribution for Sandy area residents is at the Sandy Community Action Center. Distribution at Wemme is at the Women's Club building on Salmon River Road.
To establish proof of residency applicants must show a recent utility bill with name and current address, plus one other piece of identification,

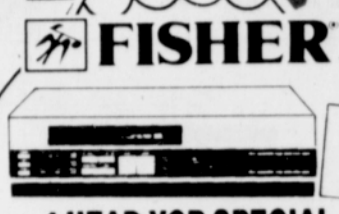

such as a driver's license or voter registration card.
In addition, they must sign a statement saying they are within certain income guidelines. For example, a five-person household may have a gross monthly income of \$1,294.
Hours at Sandy are from 9 a.m. to 6:30 p.m. Hours at Wemme are 9 a.m. to 5 p.m.
Sandy's district on the east begins at Cherryville Lane, with all households east going to Wemme. The Clackamas County line is the boundary to the north and south. To the west is 242nd Avenue, with all households to the south going to Damascus. In the Eagle Creek area, the Sandy school district boundary is

in effect. Households in the Eagle Creek and Estacada districts go to Estacada.
In Sandy, senior citizens should go to the front of the line because of possible cold weather, according to Maggie Spannaus, area coordinator. Spannaus also asks that the word be spread about the distribution as many people who need the food may not know about it.
People are asked to bring paper sacks or boxes to take the commodities home in.
For more information, call the Sandy Community Action Center at 668-4746 or the Hoodland Senior Citizens Center at 622-3331.
