New Japanese 'Super Pill' Insures Rapid Weight-Loss

No Dieting — Eat All You Want, Pill Does All The Work

BEVERLY HILLS, CA — An exciting new "all natural" weight-loss "Super" Pill developed by the JMA (Japanese Medical Association) has just been approved for distribution in the United States. Reportedly, it can guarantee that you will lose more than a pound a day without dieting, from the very first day until you reach your ideal weight and figure. News of this "Super Pill" is literally sweeping the country. It's called Amitol and there has never been anything quite like it before.

"Flushes Calories Right Out Of Your Body"

What makes Amitol so thrilling and unique is its reported ability to flush calories right out of your body. Amitol is completely safe, it contains no drugs whatsoever. Its ingredients are derived solely from the Konjac root which grows primarily in Northern Japan.

Why the Konjac root? It has been used in Japan for over 1600 years to produce rapid and natural weight-loss! Japanese studies verify that Konjac root actually prevents fat producing calories from being absorbed into your system. They say it does this by surrounding much of the fats, proteins and carbohydrates you have eaten with a protective viscous coating which is then gently flushed out of your system. And according to Japanese research this produces absolutely amazing results.

And who can disagree! Amitol (although brand new to this country) is already being called by many people, "the most exciting weight-loss breakthrough of the century." In fact, every-

where there are reports of easy and fast weight-loss from formerly overweight people (in all walks of life) who are now slim, trim, and attractive again.

Company Offers Extraordinary Guarantee

You now can purchase Amitol direct from the North American distributor, and it comes with an extraordinary guarantee.

If you place your order now and then follow the simple instructions for a period of 30 days, you must be completely satisfied with the dramatic visible results or just return the empty container and Dyna Labs will immediately send back your entire purchase price. This guarantee applies regardless of your age or current weight level. What could be better than that! It's just that simple. If you've tried to lose weight before and failed you no longer have an excuse. Amitol is available, it's easy and it works without dieting!

Best of all, ordering Amitol is simple, fast, and reliable! Simply call Dyna Labs Toll Free: (1-800-441-5454) and order with your credit card. If you don't have a credit card Dyna Labs will also accept C.O.D. orders right over the phone! All orders are shipped immediately by UPS, which means no delay and no orders lost in the mail!

\$19.95—30 day supply, or \$35.95—60 day supply. Operators are standing by and will be glad to take your order. You can order 24 hrs. a day, 7 days a week! Please don't wait to call. You really do deserve to be thin!
