Jesus Christ says...

"He who believes in the Son has eternal life; but he who does not obey the Son shall not see life, but the wrath of God abides on him."

(John 3:36)

What does it mean to believe in Jesus? One popular idea is that such is only a subjective, inner acceptance of Jesus. In the passage above Jesus clarifies that those who believe in Him obey Him. "...although He was a Son, He learned obedience...He became to all those who obey Him the source of eternal salvation..." (Hebrews 5:8-9)
