If you entered the room during rehearsal you might hear such words as....come on now stretch, extend, point your toes... or other things such as ugh, yuk, groans, moans or come on girls don't give up yet, remember no pain....no gain!!!

During rehearsals the contestants and queens warm up with the aerobics class which is taught by Michelle Middleton. After aerobics they work with Sally Mack on their production routines, preparing for "Pageant Night".

Good Luck Kim
