CLEAN • SAFE • PRE-CONDITIONED

After singing for their supper on the Yachts-O-Fun cruise, the queens only sampled the buffet provided....as Vicki was watching!!!

The queens spent the evening aboard the Yachts-O-Fun cruise singing for the passengers as they cruised the Willamette and Columbia Rivers, on a sight seeing tour. They had the opportunity to visit the bridge and see how the helm was handled and get a birds eye view of the latest radar equipment.
