

**TONY GUNDERSON
COMMITTEE**

Tony has been involved with the Miss Mt. Hood Area Pageant since he was in diapers. In the past he helped hand out flowers the night of the pageants or had a part in the show. This year he has been an asset by asking questions during the interview sessions, helping with props, and being "chief gopher". He will also be working backstage pageant week, and will again have a "bit" part in the production.
