"SHORT STOP"

Short Stop is a group of five talented musicians who got together to play good clean Rock & Roll. The group was started by lead singer Darren Kirby when he was asked to sing at the Junior Miss Pageant this past year. They have been together for six months and their song selections range from the 50's through the 80's. Band members include Darren Kirby - Singer (25), Rocky Smith - Pianist (23), Chris Reiersgaard - Bass (18), Bill Anderson - Drummer (25), and Travis Baldwin - Lead Guitar (19).

The band will be performing for both the Miss Multnomah County and the Miss Mt. Hood Area Scholarship Pageants and will also be playing at the reception following each night's pageant show.

Concentrating on their bingo cards during the annual Family Fun Night fund raiser held at Gateway Lanes.
