

GREEN TURTLE

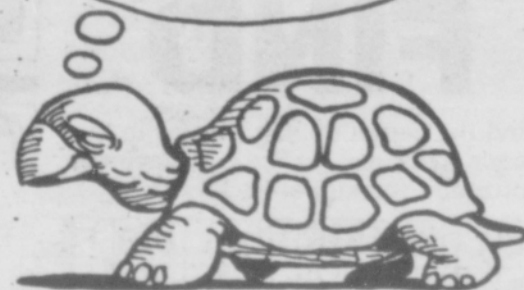

Surfing with the wind

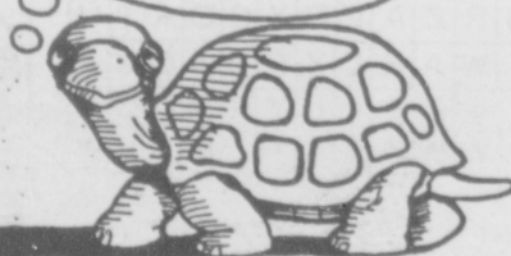

Sailboarding enthusiasts are flocking to the Columbia River between Washington and Oregon states this summer. Rated high for its continual breezes and choppy current, the river drew contestants from as far as the eastern seaboard and Hawaii for the Columbia Gorge Pro/Am Tournament.

Turtle TALES

Well, it's nearly time to go back to school.

I know it's only August, but I'm a turtle.

© Richard Ferguson 1995

If I start now, maybe I'll be there by September.
