

Welches School sets registration

Welches Grade School will be pre-registering new students on Aug. 27 and 28. Parents and guardians can pre-register their children between the hours of 8 a.m. and 4 p.m. in the primary building office.

School will commence on Tuesday, Sept. 3, the day after Labor Day. Kindergarten students will attend school from 9 to 11:30 a.m. Grades 1-3 will be in session from 9 a.m. to 2:25 p.m., and grade 4-8 will attend from 9 a.m. to 3:30 p.m.

Welches School will again offer a hot lunch program for students. Individual lunches cost 70 cents, or a ticket for 20 lunches costs \$13. Free and reduced-price lunches are available for those students whose families qualify under federal guidelines.

School buses will run on the regular time schedules during the first week of school, though they may be modified thereafter should loads necessitate a change.

Individual students may find out their specific class assignments during the pre-registration period, or they may be found on class lists posted the first day of school. Students from grades 6-8 interested in participating in fall volleyball or soccer should contact personnel in the upper building office during the first week to learn of the program requirements. Physical examinations will be offered during the first week, after school, for a nominal fee. Youngsters who have not had a physical within the past year need to take one before they can participate in a fall sport.

Finally, the school will be offering two morning kindergarten sessions this year, but no afternoon session. Kindergarten students will take part in a "gradual entry" program. Letters will be sent home to those kindergarten students who are already registered concerning the specifics of this program. Others who pre-register on the 27th or 28th may obtain information about the program at that time.

Worker returns plane after miracle flight

by MICHELLE MATTSSEN

On Aug. 8 at approximately 11:30 a.m. Shawn Mattsen and his grandfather went flying their model airplane at Delta Park.

They had three good flights. The fourth was a miracle. They launched the plane. The next thing they knew they had forgotten to turn on the receiver, so the plane was a fly-away. The model, on its own, climbed altitude, dodged trees and landed on the freeway that runs past Delta Park.

At this time Shawn and his grandfather were speechless. They thought their model had crashed. Shawn almost left for home very disappointed. Just then a fellow named Richard called to Shawn and his grandfather to come back to the flying area. A highway worker had retrieved the model. There wasn't a scratch on it, and luckily no damage was done.

Shawn and his grandfather appreciate the efforts made by the highway worker.

Shawn Mattsen and model airplane that flies on its own.

Sandy High class of 1980 to meet at Wildwood Park

A reunion picnic is planned by the Sandy High School class of 1980 for Saturday, Aug. 31 at Wildwood Park, says alumna Robin Dodson.

The event starts at noon. Those attending are asked to bring their own food.

For more information call Dodson at 668-7902.

Jesus Christ says...

"Blessed are the peacemakers, for they shall be called sons of God." (Matthew 5:9)

Is Jesus talking about "world class" international diplomats and arbitrators in legal and personal disputes? Hardly! Rather, Christians are called "sons of God" (Galatians 3:26-27) and are peacemakers for they through Christ make peace with God and man while reaching out to others with the same. "But now in Christ Jesus you... have been brought near... For He Himself is our peace..." (Ephesians 2:13-14)
