GET A LOT OUT
OF A VOLVO
WAGON.

The Volvo 240 wagon can reach 100 mph in 10.9 seconds. Which is faster than most cars.

Volvo's are engineered to be tough. Because the axles are filled with unilled hazards.

The Volvo 240 wagon is a built-in safety car. It has 10 air bags inside. That means 10 air bags inside. That means 10 air bags inside.

For more reasons why you should buy the Volvo 240 wagon, stop by our showroom for a test drive

Or you could end up with a wagon that offers a lot less.

With the rear seat down, the cargo area is more than six feet long and nearly three-and-a-half feet wide. So you can hold luggage of almost any dimension.

VOLVO
A car you can believe in.

*Based on '86 manufacturer's brochure describing '86 models.
