To Use "New Truth" at Gresham Chrysler Plymouth:

Your new management team is great:

My Barone and I purchased a new 1987 Plymouth Colt from
your dealership this past weekend. We were treated pretty
fairly and were given a terrific deal—really even better than we
expected. Your salespeople took the worry out of new car buying
and did not subject us to any hard sell.
We loved your New Truth and headed up the service department.
When maintenance is required, we'll be sure to put our new car
in the hands of your service personnel.
Thanks again to the New Truth at Gresham
Chrysler Plymouth for making our new car purchase so
enjoyable. We will be pleased to recommend your dealership to
our friends.

Sincerely,

Richard P. Barone
