General Contractor license,
bonded, insured #54073

Oregon Law requires that anyone who contracts for work on your home be registered with the Oregon Board. Registration means the builder has posted a bond or security deposit, and has liability insurance. Contractors who propose to work on homes are required to include their Builders Board registration number in Gresham Outlook and Sandy Post ads. To check the registration number or ask other questions, call the Builders Board in Salem at 378-4621.
