We have only 5 weeks to dispose of over 150 new 1987 cars, trucks and higher discounted demonstrators. We feature 1.9% financing, or up to \$1000 factory rebates - plus - you'll get an even larger Carlson Chevrolet discount. These are just a few reasons to visit Carlson Chevrolet before you invest in any new car.

Chevrolet is our "bag" but we can save you money and find you any make & model of a new car or truck.

We, also, feature special purchase vehicles from General Motors. The more new vehicles we sell the more used trade-ins we must dispose of - and - the more we have, the lower the price we must accept.

What does this mean to you?? It merely means that now is the time and Carlson Chevrolet is the absolute most logical and most economical place to buy a new or used car or truck.
