On September 17, we will be celebrating the **Bicentennial of the U.S. Constitution.**

The U.S. Constitution was written 200 years ago by a group of citizens representing the 13 original states. The Constitution is still the basis for our government and all of our laws. On September 17, Americans across the country will celebrate the 200th birthday of the signing of the Constitution. You can help celebrate too!

Come into Pay Less and pick up your **FREE** copy of the Constitution to help you with your answer.
