

North Douglas Students of the Month

Kindergarten, Ryler Smart

6th Grade, Lexi Wells

Ryler has worked hard to make improvements in his behavior and ability to engage during lessons. He works very hard to improve his abilities in both reading and math. Keep up the good work Ryler!

Lexi is a very honorable student who always works from a place of integrity and self-discipline. She doesn't require a large amount of management because she is very self-sufficient and motivated.

Nearly 40 preschool students from Yoncalla spent time Wednesday celebrating May Day at the Old Applegate House in Yoncalla. The house which was established in 1852 is the oldest home in Oregon continuously owned by the same family. Students participated in a tour, Maypole demonstration along with making personal May baskets. North Douglas preschoolers participated in a field trip and activities last December.

Elk Creek Glass

You Can Make It!

Elk Creek Glass is a glass blowing and fusing school, studio, and community. In small classes, we demonstrate the tools and techniques of glass art. Then we guide you in the hands-on magic of making glass art.

INTRO TO FUSED GLASS
Cutting glass is easier than you think. Learn to cut glass and use mosaic techniques to make gorgeous small plates or bowls.

INTRO TO BLOWN GLASS
Making paperweights is the perfect introduction to working with hot glass. You'll learn to dip hot glass, add colors, and shape your magnified wonderland.

GUIDED-RENTAL HOT SHOP
Advanced students can rent shop time with an instructor on hand to assist with questions, and assist with your project.

Always schedule your visit. We can't stop a class for visitors, and We would really like to meet you.
