

# Elk Creek Glass

**You Can Make It!**

Elk Creek Glass is a glass blowing and fusing school, studio, and community. In small classes, we demonstrate the tools and techniques of glass art. Then we guide you in the hands-on magic of making glass art.

### INTRO TO FUSED GLASS

Cutting glass is easier than you think. Learn to cut glass and use mosaic techniques to make gorgeous small plates or bowls.

### INTRO TO BLOWN GLASS

Making paperweights is the perfect introduction to working with hot glass. You'll learn to dip hot glass, add colors, and shape your magnified wonderland.

### GUIDED-RENTAL HOT SHOP

Advanced students can rent shop time with an instructor on hand to assist with questions, and assist with your project.

*Always schedule your visit. We can't stop a class for visitors, and We would really like to meet you.*
