Greenhill Pet of the Week

Everybody deserves a good home...

Tamas has everything a new family could ask for...he's healthy, very loving and sweet. So why is he still here after months and months? Because he's 10+ years old. He and the other Senior cats at Greenhill have an uphill battle being adopted. They're often one owner cats who have always had a family and then through the loss of their person due to death or placement in a nursing home, they find themselves alone and overlooked because they're not young anymore. Please come meet these seniors and see if there's a place in your home and heart for one of them.
