Daytona has the curse of so many  
dogs in Greenhill's kennels—she's black.  
Black dogs are often overlooked for no  
good reason. Take Daytona for example,  
she's 2 years old, spayed, playful and  
friendly. She has been kept outside so is  
in need of housetraining, but she's  
young and teachable. Why is she still  
here? Your guess is as good as ours.
