

GET OUT!

Aren't you just *dying* to get out – out of those wool sweaters and Gore-Tex rain pants, out of covered-toe shoes and scarves and mittens – out of the house and onto the trails, into the nooks and crannies of the great wide open? The long stretch of damp and chilly is just about over, making way for the sunshine, languorous sunsets and clear, warm nights right on the horizon. Soon enough, it'll be all about the sound of flip-flops, the glimpse of bare ankles and shoulders, the smell of hot coals as the neighbors fire up the Smokey Joe.

Pack the sweaters and rain pants away, and take a look here for some easy ways to make the most of your summer. – *Bobbie Willis*

KURT AND ROB WIDMER.
SUCCESSFULLY CONFUSING BUSINESS
AND PLEASURE SINCE 1984.

The line between work and recreation can get a little blurry for craft brewers Kurt and Rob Widmer. One minute they might be inspecting hops and barley. Which is a lot of work. Then they might be writing off a trip to the pub the next. Which is definitely a pleasure. Then there are the meetings with the accounting department. Not fun. Followed by the daily samplings of their delicious hefeweizen. Fun. You can see how this gets confusing.

Rob (right) finds the anaerobic bottling machine funny. Kurt, not so much.
