

RED MEAT less fun than a barrel full of infected, biting monkeys from the secret files of **Max Cannon**

Gosh, Mister Murphy... I'm not feeling so hot today. I was thinking I might knock off early and go home to bed.

But you have three more shows to do this afternoon, and I'd lose customers.

Of course they are, John. But the nice folks pay good money to see "The Wild Madagascar Lemon Man" drink an entire bucket of gangrenous, pureed horse meat.

Sorry, Johnny...

But, Sir... I think it's all these shows that are making me sick.

But who'd know if it was just plain soup?

I would. Hey...! Let's make that swill "soupler," so you can make repulsive slurping noises while you guzzle it!
