

RED MEAT tinkle bell of the unthinkable from the secret files of **Max Cannon**

Listen, um...our friend Gene is sick, so me and the guys were wondering if you'd be willing to come and play shortstop for us.

Papa Moai...who can hear a lone atom cast off an electron from ten dimensions away!

Well, okay. Your loss, though. Stuart snuck out one of his dad's Penthouse magazines and we've got it in the dugout.

What...?! You ask the mighty Papa Moai to play a child's game?

Papa Moai...who can peer between the onionlike layers that separate infinite potential from that which is and is not!

Whoa. Let me go grab my mitt.
