KURT AND ROB WIDMER. SUCCESSFULLY CONFUSING BUSINESS AND PLEASURE SINCE 1984.

The line between work and recreation can get a little blurry for craft brewers Kurt and Rob Widmer. One minute they might be inspecting hops and barley. Which is a lot of work. Then they might be writing off a trip to the pub the next. Which is definitely a pleasure. Then there are the meetings with the accounting department. Not fun. Followed by the daily samplings of their delicious hefeweizen. Fun. You can see how this gets confusing.

Rob (right) finds the anaerobic bottling machine funny. Kurt, not so much.
