EUGENE CELEBRATION 2003

This year we're all supposed to put our hearts into the Eugene Celebration. It's in the heart of the city, see, and so many folks have poured their hearts into planning and putting on the show, it's up to the rest of us to give them some love. So go. Have fun. Play. Get the heck out and party. Dance, even if you've got no beat. Sing, even if you can't carry a tune.

Jump in the river of life, even if you can't swim. Get out in time to watch the parade this year, back to its original, civilized time: 9 am. Go, mingle with your neighbors, commune with your townies, fall in love with the first hottie you meet. Share your laughter with others. What are you waiting for? It's time to celebrate! See ya downtown.
