Adult ADD?
Join this group and gain education,
therapy, support and coaching
Utilizing guidelines that are theoretically
compatible with the "wiring" of the
ADD brain, you will discover how to:
♦ Break tasks into manageable pieces
and reduce your sense of failure
♦ Reduce disorganization at home
and work by de-cluttering
♦ Decrease your forgetfulness by developing
a system for prioritizing steps toward goals
♦ Address money madness, time problems,
and eliminate constant chaos
♦ Live up to your potential and develop a
proper "fit" with your career
This 8-month group begins in October.
\$45 per week for 2-hour sessions.
Reservations required. **914-5930.**
Karen Howell, M.A. integrates
