**5south**

This ain't your daddy's rock and roll band and there will be no sitting down at these live performances! Since its inception in late 2002, 5south has been scolding the local music scene with live shows so hot you had best bring your oven mitts.

Pumping out the band's message, Michael Aliotti unleashes the vocals while "Goroe" and Brandon Richardson drive the guitar sounds home. Add to this, Patrick Hursley's thumping percussion work and Tyler Nachtman's distinctive approach to bass. When it is all said and done, 5south is a Eugene band that you should not miss. Check out [www.5south.com](http://www.5south.com) and Eugene Weekly's Clubs page for show details.
