**LUCKILY, IT DOESN'T TAKE
PERFECTLY BALANCED MEN TO CREATE
A PERFECTLY BALANCED BEER.**

It goes without saying that men willing to dedicate 17 years of their lives to the perfect glass of hefeweizen have different priorities than most. Would you fly to Düsseldorf for a small sample of hundred-year-old yeast? Or scour the Northwest for the best hops? No, Kurt and Rob Widmer are not "balanced." Which is precisely why Widmer Hefeweizen is.
