## People of Faith and Conscience Urge You to Vote "Yes" on Measure 30!

*There are some things in our society and in our world to which I'm proud to be maladjusted, which I call upon all people of good will to be maladjusted, until the good society is realized....I never intend to adjust myself to economic conditions that will take necessities from the many to give luxuries to the few.*

--Martin Luther King, Jr., January 19, 1968

We, the undersigned people of faith and conscience in Lane County, call upon all people of good will to vote "Yes" on Measure 30. We believe that this bi-partisan plan developed by our legislature is vital to public services which are essential to the common good of all Oregonians.

Measure 30:

- Helps seniors and people with disabilities remain independent and provides prescription drug coverage for low-income seniors.
- Supports education and prevents further cutbacks in public schools, loss of teachers and/or shortened school years.
- Provides necessary funds for such critical programs as Healthy Start, Crisis Relief Nurseries, Crisis Mental Health services and much more.
- Preserves health care coverage for 85,000 Oregonians on OHP and thereby prevents increased costs from being shifted to those with insurance.
- Puts an end to borrow and spend tactics to balance the state budget.
- Replaces the \$10/year minimum corporate tax with a more fair tax based on sales.
- Is fair and affordable, costing the average Oregonian only \$2 to \$4 per month in income taxes. Those who earn less pay less.

Please join us in protecting our schools, our most vulnerable citizens and the future of our state. **Vote "yes" on 30. Your vote is important!**
