Everybody deserves a good home...  
  
My name is Sara, my sister is Jessie. We love each other and have never been apart. We want to stay together when we find a new home. We need to be in a home without small children. We're housebroken and have been kept indoors. We like being outside too. We've had some training so we have good manners. We're playful, energetic and will need lots of exercise. Just think of the double dose of lovin' you'll get by choosing us.
