Everybody deserves a good home...

Chico is a charming young cat with a special need -- he's FIV positive. Because of his disease, Chico needs a special home providing a nutritious diet, a non-stressful environment, and regular vet checkups. Chico can live a long, happy life with FIV, although he should be in a home where he is the only cat or with another FIV positive cat. Chico is a loving, sensitive guy who is hoping someone out there can give him a home that will last a lifetime. Come meet this special guy today!
