SHAMANIC HEALING
Shamanic Healing addresses the spiritual aspects of physical, mental
and emotional illness. It works well in conjunction with traditional
and/or alternative health care practices. Possible symptoms calling for
Shamanic Intervention are:
• not feeling whole • "part of me left" or "I haven't been the same since"
• chronic illness, depression or fatigue • addictions
• feelings of possession, darkness, or alienation
A one time Healing Empowerment Ceremony can address
the issues & restore the integrity of the soul force. There is
also a monthly drumming & journey circle to support your
ongoing process.
