cover story:
Artistic Avenue:
Can art revitalize downtown?

THE COVER: *Woman with Bow in Hair*, by **Angus Macaulay**, acrylic on canvas. Cover artist Angus Macaulay arrived in Eugene only one month ago and is already making waves with his art. Previously a 10-year resident of Portland, he spent eight years doing the Portland Saturday Market and attending juried art shows. He mostly works in acrylics on woodblock, which he then turns into prints, and Gango editions is publishing a line of posters on his increasingly famous fruit and vegetable motif. Macaulay will be displaying his work at Artfest.
