

WHAT'S YOUR TRIP?

WHAT'S YOUR TRIP? THE POSTCOASTER CONTEST RETURNS

When we were kids, our family road-tripped around the west visiting all the major tourist attractions. The ones I remember most were not necessarily on the map - The Giant Head of Abe Lincoln, The Miracle Tortilla, and The Cadillac Ranch (pictured) in Texas. It was fun to go back and visit at an age where I could enjoy the sites with a few friends and a cold Fat Tire.

Postcoaster Winner:
 Karen Mandery
 Longmont, CO
