9/11: The Truth Will Set U.S. Free

“Theologian David Griffin has always worked for human justice. We were both part of an ecology task force in the 70s that formed my life goals for the environment and human justice and it was great working with David!”

- Ruth Duemler, Eugene social justice activist

“David Ray Griffin has done admirable and painstaking research in reviewing the mysteries surrounding the 9/11 attacks. It is the most persuasive argument I have seen for further investigation of the Bush administration’s relationship to that historic and troubling event.”

- Howard Zinn, author, *The People's History of the United States*

“I urge all to read *The New Pearl Harbor.*”

- Ed Asner, actor and peace activist
