RED MEAT non-nutritive humor-flavored paste from the secret files of **Max Cannon**

Damn, Ted...what is that disgusting smell coming out of your garage?
 Cologne...? It smells like slipper leather, stale pipe tobacco, ascot sweat, hot tub chlorine, Hai Karate and tiki torch fuel.
 I've been inventing a new cologne.
 Wow, Don...good nose. But you left out "pajama funk." That's the secret ingredient that gives my new "Hef" cologne its upsettlingly manly power.
 I didn't leave it out, man. I just assumed that particular odor was coming from those pajama bottoms you've got on.
