

BACK TO CAMPUS 2004

Ok, we've covered the basic stereotypes, but what about the great students who defy categorizing? Check out the white hip hop guy with the baggy pants in the fencing class, the tattooed and multi-pierced goth classical piano student, the Bible-thumping snowboarder, the butch ex-Marine in the poetry class, or the library sciences major who's also an extreme kayaker and dancer at Hot Bodies.
