You: Older male security guard, ponytail, beard. We witnessed you eject a girl for taking your pen! We witnessed her return it; honest mistake! We plan on giving you pens at every future McDonald event, hopefully preventing further punitive displays of authority by you. Respect!

waste of air who lifted an 8-year-old's bike last week near Charnelton: I understand the difficulties of being a career mission dweller, but swapping a child's stolen toy for junk takes you from hopeless to worthless. Karmic coffee keeps on burning till you're very sick and alone and see your crime was all in vein - 'cause someone will be coming for your bike.

MY QUEEN

It was necessary, my Queen, for me to be chased away. Only then could the inner courage and strength have been found. Vast oceans of time and infinite lifetimes have I traveled, ever vigilant will I wait. In this life or the next, you alone may accept me as your champion, for my sword is lain before your feet waiting for that one all powerful word. Madmen, dreamers and fools promise perfect worry-free lives. Only eternal adoration and unjudgmental love have I, soothing fears and healing lost years. The one true vow your knight will swear before all heaven and earth: no one will ever be mean to you again and not one passing day will you ever have to wonder if you're loved.

YOU DO HAVE A HOME

I love you mentally, physically, emotionally and spiritually - just what you asked for. There's been enough sorrow, please walk through this fear. Knock on my door, let's go through this life together. Please come home.

RE: EVEN A GOODBYE

I came back here only for you - was it for closure? It would've been much healthier if we'd communicated about things. If you believe in us as much as I did, talk to me face to face. The years of misunderstanding and drama were sheer hell.

EVEN A GOODBYE

I was afraid I'd never see you again, and I chased you off. Then I did see you again. Thank you for that, even if it's goodbye. There are some things I don't regret.
